

### **Comments on UCC**

- 1) TRAI maintain DNC list on its web site and it should be available to all telecom companies bank on chargeable basis
- 2) Bank like ICICI City bank must have blanket ban to stop on there call centare to make calls to the customers
- 3) To call customers on there cell phone or land line phone must be banned unless customer asked for it
- 4) Bank can make it customers only service calls and not promtional calls
