Dear Sir,

This is with reference to the TRAI consultation paper on Access Facilitation Charges and Collocation Charges at cable landing station.

The BT Global Communications India Pvt. Ltd. (BTGC) would like to sincerely thank for giving us an opportunity to provide response to the questions mentioned in the consultation paper.

BTGC has submitted the response on consultation paper "Access Facilitation Charges and Collocation Charges at Cable Landing Stations" along with ACTO (Association of Competitive Telecom Operators) by way of a consolidated submission.

Also, BT supports the submission of ACTO as submitted on 19 April, 2012.

Thanking You,

Shilpa Gupta
