Subject : Scheduled review of IUC charges.

Respected Sir,

Sir, we seek your attention on the scheduled review of IUG Charges.

We, as a society, find the charges discriminatory and unjust and hope that the same are scrapped and not renewed.

Owing to competition between operators and constant efforts made by TRAI in the past have translated into lower costs and hence more benefits for the customers.

Any roll back on the IUC shall unduly put the burden of increased costs back on the customers and hence the request.

Thanking you,

Truly Yours,
For Rotary Club of Bhopal
